Telegram from Vice-Minister to Chief of Staff of the Kwantung
Army (Coded):

With regard to the question of Export Tariff Revision, referred
to in KMAN-SAN-HEI-KEI/341 of October 3, upon conferring with all the
interested governmental quarters, we have been able to obtain from
them an understanding to the effect that they see no objection to the
text of the proposition in view. However, as to the Tariff covered
by No. 2: (1) i.e., one of the items included in the Secret Understand-
ing attached to the Agreement which provides for the set-up of a Joint
Economic Committee please arrange to refer this proposition to the
aforementioned Committee for deliberation since the current rules call
for any proposition of this kind, on account of its nature, being
referred to such body for study.
